

## **SHOAL BAY & ANNA BAY MEDICAL CENTRES**

### **TRAVEL MEDICINE ALLIANCE**

#### **Travellers to United Arab Emirates**

The UAE has strict guidelines regarding the import of personal medicines via travellers, including transit passengers. Restricted and controlled drugs in the UAE include medications for pain relief, coughs and colds, nausea, vomiting and diarrhoea, depression, anxiety, schizophrenia, hormone replacement, eczema, acne, ADHD and many others.

Travellers are advised to review the following websites prior to travelling to the UAE.

[www.smartraveller.com.au](http://www.smartraveller.com.au)

[www.uaeembassy.org.au](http://www.uaeembassy.org.au)

Certain prescriptions must be legalised by the Embassy of the United Arab Emirates in Canberra, Australia. A fee is charged for this process. The Embassy of the UAE can be contacted at the following for further information:
